

REMARKS

Claims 1 and 10 have been amended to incorporate all of the limitations of claims 3 and 12 respectively, and thereby are patentable over the cited references of the current Office action. Claims 6 and 15 have been rewritten in independent form including all of the limitations of the original claims 1 and 10 respectively, and thus placed in condition of allowance. Furthermore, all of the dependent claims should be allowable for at least the same patentable reasons of their base claims. Therefore, all pending claims are submitted to be in condition of allowance. A timely notice of allowance is respectfully requested.
